

Village of Marvin

DATE: August 8th, 2023

TO: Village Council

FROM: Hunter Nestor, Planner and Zoning Administrator

SUBJECT: Discussion and Recommendation of Conditional Rezoning Application CZ 2023-1 (Zepa Capital, LLC)

Requested Action

Staff request the Village Council Open the Public Hearing on August 8th at 6PM at Village Hall for Discussion and Consideration to rezone the 1.518 acres located at 9908 New Town Rd., from R-Marvin Residential to the Marvin Heritage District (Commercial Only). A Public Hearing is required for any rezoning request.

Background

Zepa Capital, LLC has applied for a conditional zoning map amendment to rezone the 1.518 acres located at 9908 New Town Rd., from R-Marvin Residential to the Marvin Heritage District (Commercial Only). The subject property is further identified by parcel numbers 06-225009A. The rezoning is for Rezoning requested to allow for development of the site as a Commercial “Village” to include commercial uses such as retail, restaurant, and office per the Marvin Heritage District Form-Based Code.

The Village Council adopted the Marvin Heritage District Form-Based Code (MHD FBC) in January of 2022 ([OR-2022-01-02](#)). This established the Marvin Heritage Conditional Zoning District and the regulations for the district. The applicant submitted this rezoning application in April of 2023 and amended their application submittal in June 2023.

Analysis

	Existing Land Use	Zoning Designations
Subject Properties	Vacant, Residential	R-Marvin Residential
North	Residential/Common Open Space (Preserve at Marvin)	R-Marvin Residential
South	Vacant/Agriculture (Fincher Property)	R-Marvin Residential
East	Vacant (Crane Store Property)	R-Marvin Residential
West	Civic/Vacant (Weddington United Methodist Church)	R-Marvin Residential

Village of Marvin

General: The rezoning application is to rezone the subject property from R-Marvin Residential to the Marvin Heritage Conditional Zoning District Commercial Only (MHD-CO) for permitted and special commercial uses such as retail, restaurant, and office per the Form-Base Code. The purpose of the rezoning request is to develop the Site to those commercial uses that are in accord with the vision created by the Village of Marvin community through its approved Heritage District Small Area Plan. Rezoning the Site to HD-CO enables Applicant to use the Site for those commercial uses allowed in HD-CO zoning.

The site currently consists of approximately 1.518 acres, with an existing 100-year-old farmhouse, carport, and shed. The applicant is proposing to demolish carport/shed structures and renovate the existing house with the intention to preserve the overall exterior appearance of the existing farmhouse.

The proposed development would convert the interior of the existing farmhouse to commercial use such as a restaurant/tavern. A 1,545 SF commercial kitchen addition is proposed to the existing structure. Additionally, the proposed development includes two new 5,000 SF two-story buildings (10,000 SF total for each) for retail and office uses, totaling 21,550 SF of new gross building area. Development of the project will be phased, with completion not anticipated to exceed 10 years.

Permitted Uses: The intended uses include specialty commercial and retail space offering goods and services such as ice cream, coffee, specialty foods and wines, gifts, clothing boutique, art gallery, etc. on the first floor, with office type uses on the second floor of the two new commercial buildings. The existing farmhouse and proposed addition thereto are currently planned for a restaurant with commercial kitchen and retail space. Proposed uses within the Site are subject to change based on market demand, but once rezoned, uses are limited to those allowed in HD-CO zoning.

Tree Preservation: The applicant is proposing to disturb as little as possible and save the larger canopy trees on the site where possible. Tree Preservation and Mitigation Plan is required in the Preliminary Plat and Construction Documents Phase.

Water and Sewer: This development will utilize Union County Water and Sewer. The applicant will have to secure the required easements and Right-of-Way Encroachments to extend the main water line from the Roundabout at Waxhaw-Marvin and New Town Road to the front of the subject property. The applicant will need to secure the required easement to extend the main Sewer Line from the rear of the Crane Store and Preserve Common Open Space properties. The Site's sewer and water needs have been calculated as set forth in the attached chart and Applicant has confirmed with Union Public Works that sufficient capacity currently exists to service the Site. The full details of the utility plan will be submitted during the preliminary plat and construction document phase if the rezoning is approved.

Village of Marvin

Buffers: The Developer is proposing a 20 FT Buffer at the rear of the property with a 6 FT high solid opaque fence and a row of evergreen plantings to accompany the 30 FT COS from the Preserve at Marvin. This totaling a total of a 50 FT vegetive rear buffer from the adjacent residential properties. The planted evergreens will be minimum of 6 FT tall at time of installation. The actual location of plantings will be field located and identified on the construction plans. Additionally a 5FT Landscape Buffer on the side property lines is being proposed.

If existing trees do not provide the opaque buffer as intended by the ordinance, vegetative screening must be installed and maintained to enhance the buffer within the 20-foot buffer width. **The specifics opaqueness will need to be added to the construction and preliminary plans and development agreement.**

Open space: The applicant is proposing 28.26% of landscaping and buffering, and 11.87% of pedestrian oriented hardscape and outdoor amenity space. This totals 40.13% reserved open space for the development.

Parking: The proposed development has 53 parking spots and 4 ADA Accessible Parking Spots for a total of 57. Off-street parking will be provided based on market but connections to existing trails and the proposed Loop will be provided to afford area residents the opportunity to walk or ride bikes to the development. Applicant is looking at additional parking options.

Other agency notes (not fully required at this step):

- NCDOT: Applicant has already consulted with NCDOT, and the development now will only have one Primary Entrance and one Fire/Emergency access entrance. NCDOT may require additional road improvements to New Town Road. Peak hour trip counts calculated based on proposed uses are shown on the attached chart and did not reach the threshold for requiring a traffic impact study as part of the rezoning process. Another roundabout is proposed for construction this summer to move traffic more effectively through the area. DOT will also review anticipated trip counts generated from the Site as part of its driveway permit process.

Public Involvement Meeting: The Applicant held 2 Public Involvement Meetings. The first was held on April 19th, 2023, and the applicant held two sessions. The second PIM was held on June 6th, 2023. Both were at Village Hall. The PIM Meetings minutes and sign-in sheets are attached in the Planning Board Packets.

Village of Marvin

Compliance with the Marvin Heritage District Form-Based Code and other applicable sections of the Village of Marvin Zoning Ordinance

The applicant has requested a few deviations from the regulations in the Form-Base Code. Staff will provide more detail during the Public Hearing. Overall, the proposal complies with the regulations within the Marvin Heritage District Form-Base Code.

Development Agreement

The applicant has submitted a draft the development agreement in compliance with the MHD Application Procedure and Requirements. This agreement is a draft, and tis currently being reviewed and revised by the Village Planning and Zoning Director and the Village Attorney.

The development agreement shall be drafted in a format as directed by the Planning and Zoning Director. This draft was presented to the Planning Board for a formal recommendation at a regularly scheduled meeting. Said meeting shall be held prior to notification for a legislative hearing by the Village Council. The development agreement and the Planning Board recommendation was published for public inspection and notification was made in accordance with the provisions of G.S. 160D-601.

Consistency with Land Use Plan and Other Adopted Plans

State Statute requires that all zoning regulations shall be made in accordance with an adopted comprehensive plan. When adopting or rejecting any zoning amendment, the Council shall approve a statement describing whether its action is consistent or inconsistent with our 2020 Land Use Plan or any other officially adopted plan that is applicable, and briefly explain why the Council considers the action taken to be reasonable and in the public interest. A Planning Board/Village Council can adopt a rezoning that is inconsistent, as long as it's acknowledged in writing and there is rationale for the decision.

The Village of Marvin Land Use Plan and the Marvin Heritage District Small Area Plan designates this area as the Marvin Heritage District. It designates the subject property as Commercial Only within the Marvin Heritage District. The proposed uses and scale of the development is consistent with these adopted plans. Furthermore, this development is consistent with the goals and purpose of the Plans by providing conservation land or fee-in-lieu for future greenway connections, maintaining rural aesthetics, and economic development to the area.

Village of Marvin

Conclusion and Next Steps

The Planning Board has made a recommendation to the Village Council. Once a recommendation is made, the Village Council will Call for a Public Hearing and a date and time will for the Hearing will be set. After the Public Hearing the Council will vote on the rezoning application submittal. At any time, the applicant can amend the proposal, if they choose, from comments, feedback, and recommendations made by the Planning Board during this review or can agree to make changes as part of Planning Boards Recommendations. Planning Board can also recommend specific conditions of this approval for Council to consider. All conditions will be a part of the applicant's development agreement that is presented to Council when they are considering the application.

Once the public hearing has been held, the Village Council shall take action on the rezoning petition. The Village Council shall have the authority to: Approve the application, deny approval of the application, or approve the application with modifications that are agreed to by the applicant; or send the application to the Planning Board for further study. The Village Council may hold additional public hearings on an application at any time before it takes a final vote to approve or deny that application.

If the rezoning sketch plan is approved by the Village Council the applicant can move forward with the following required steps:

Preliminary Plat and Construction Plans. After staff review, the Planning Board shall be required to make a recommendation on the preliminary plat/construction plans within 60 days after the date at which the Planning Board first met to review the plat. The Village Council shall then review the preliminary plat/construction plans. Both are reviewing compliance with the requirements of the ordinance and rezoning standards. The Council may be approved (with or without conditions) or deny the preliminary plat/construction plans. During the preliminary plat/construction plan review, elements of the plans may be approved by the Design Review Authority.

Land development permit: authorization to install improvements. Approval of the preliminary plat/construction plans by the Village Council shall be a prerequisite to the land development permit for the developer to install the required improvement in the proposed subdivision as required by the Village Council (this is horizontal work only, not vertical building construction). No clearing, land disturbing activity, or improvement of any kind shall commence until the preliminary plat/construction plan has been approved and Village staff has approved and issued a land development permit. The land development permit shall not be issued until all conditions, if any, on the approved preliminary plat/construction plan, are satisfied.

Village of Marvin

Design Review Authority. The design review authority shall review the plans prior to issuance of a zoning permit. The plans shall be in conformance with the development standards of the site. The design review process and submittal requirements were amended to allow a thorough review of the site plan, landscape plan, elevations and signage. The Design Review Authority has the ability to review plans to see if they violate any requirements of the Village's ordinances and/or Land Use Plan, including any requirements applicable to the particular conditional zoning district at issue; or cause the development not to be in harmony with its surrounding area or it is not otherwise within the spirit and intent of the village ordinances. A recommendation of approval or denial will be reviewed by Village Council at their next meeting.

Village of Marvin

Proposed Land Use Consistency and Reasonableness Recommendation

Staff has currently drafted the following Land Use Consistency and Reasonableness statement. This is not fully completed and just is a draft. The final recommended statement will be provided in the August 8th Village Council Meeting Packets.

The Village Council finds that the proposed rezoning of 9908 New Town Rd (further identified by parcel numbers 06-225009A), from R-Marvin Residential to the Marvin Heritage District (Commercial Only) is consistent with the goals and recommendations of the Village of Marvin 2020 Land Use Plan and the Marvin Heritage District Small Area Plan.

The Village of Marvin 2020 Land Use Plan designates this area as the Marvin Heritage District and the Marvin Heritage District Small Area Plan further designates the subject property as the Marvin Heritage District – Commercial Only.

The scale of the development is consistent with these adopted plans. Furthermore, this development is consistent with the goals and purpose of the plan by the following:

1. Cultivating a sense of community and creating a gathering place within the Heritage District (B.1 and D.1)
2. Maintaining rural character and heritage (B.2, C.1, D.2 and E.2)
3. Providing development adjacent to existing neighborhoods that is compatible in terms of intensity, scale, and architecture (C.2, D.6 and E.4)
4. Providing conservation land or fee-in-lieu for future greenway connections and additional pedestrian-oriented amenities (C.3, D.4 and E.3)
5. Creating a walkable, compact core of neighborhood-friendly commercial, retail and public uses and spaces (D.3)
6. Reuse of the existing single-family dwelling architecturally consistent with new and old development in the area maintaining rural aesthetics (D.5)
7. Proposing and further incorporation of appropriate traffic calming strategies (D.8)
8. Providing shared parking solutions/options and future vehicular connectivity within the district (D.9)

The proposed rezoning of 9908 New Town Rd (further identified by parcel numbers 06-225009A), from R-Marvin Residential to the Marvin Heritage District (Commercial Only) is reasonable and is in the public interest because it promotes the goals and recommendations of the adopted 2020 Land Use Plan, Marvin Heritage District Small Area Plan, and any other officially adopted plans.

Village of Marvin

Staff Recommendation

Staff recommends the approval of the rezoning submission. Staff would like the Board to discuss potential conditions to be discussed and considered to be incorporated into the rezoning.

Staff has drafted the following preliminary recommended conditions. Prior to the Public Hearing all conditions must be mutually agreed upon and included in the rezoning.

Recommend Conditions:

- Compliance with all the terms and conditions of the included Development Agreement (Final Draft of Development Agreement will be completed prior Public Hearing).
- All NCDOT and Village traffic engineering comments and recommendations shall be considered with the Construction Documents
- Consult with NCDOT on potential road improvements along New Town Road;
- Require a detailed lighting and landscape plan with construction documents to be reviewed by the Design Review Board and Village Council;
- Easement for Marvin Loop will be dedicated per the site plan to the Village;
- Require a maintenance plan and agreement for parking, landscaping, buffer, etc.;

Village of Marvin

Planning Board Recommendation

The Planning Board reviewed and discussed the Conditional Rezoning Application CZ 2023-1 (Zepa Capital, LLC) during their regular scheduled Planning Board meeting on July 18th, 2023.

The Planning Board unanimously voted to recommend approval of Conditional Zoning Application 2023-1 with the following conditions:

- Remove the deviation allowing a trail connection;
- Require a detailed lighting and landscape plan with construction documents to be reviewed by the Design Review Board and Village Council;
- Consider fee-in-lieu or potential improvements of the Marvin Loop to be installed by developer;
- Easement for Marvin Loop will be dedicated per the site plan to the Village;
- Consult with NCDOT on potential road improvements (right turn stacking) along New Town Road;
- Require a maintenance plan and agreement for parking, landscaping, buffer, etc.;
- Remove rear parking and increase rear buffer if extra parking is secured from neighboring properties.
- Require front area to be fenced if used for recreation.
