**Marvin / New Town Roundabout Construction to Commence, Detour Information Enclosed**

At long last, we are excited to announce that construction of the Marvin Road / New Town Road Roundabout will commence on or around the week of July 10. Those who usually travel through this intersection will need to plan their route accordingly during the construction progress.

**Please note that off-duty officers will no longer be present at this intersection to direct traffic after July 1. We encourage everyone to begin taking alternative routes early to avoid significant traffic delays.**

**Detour Route Information**

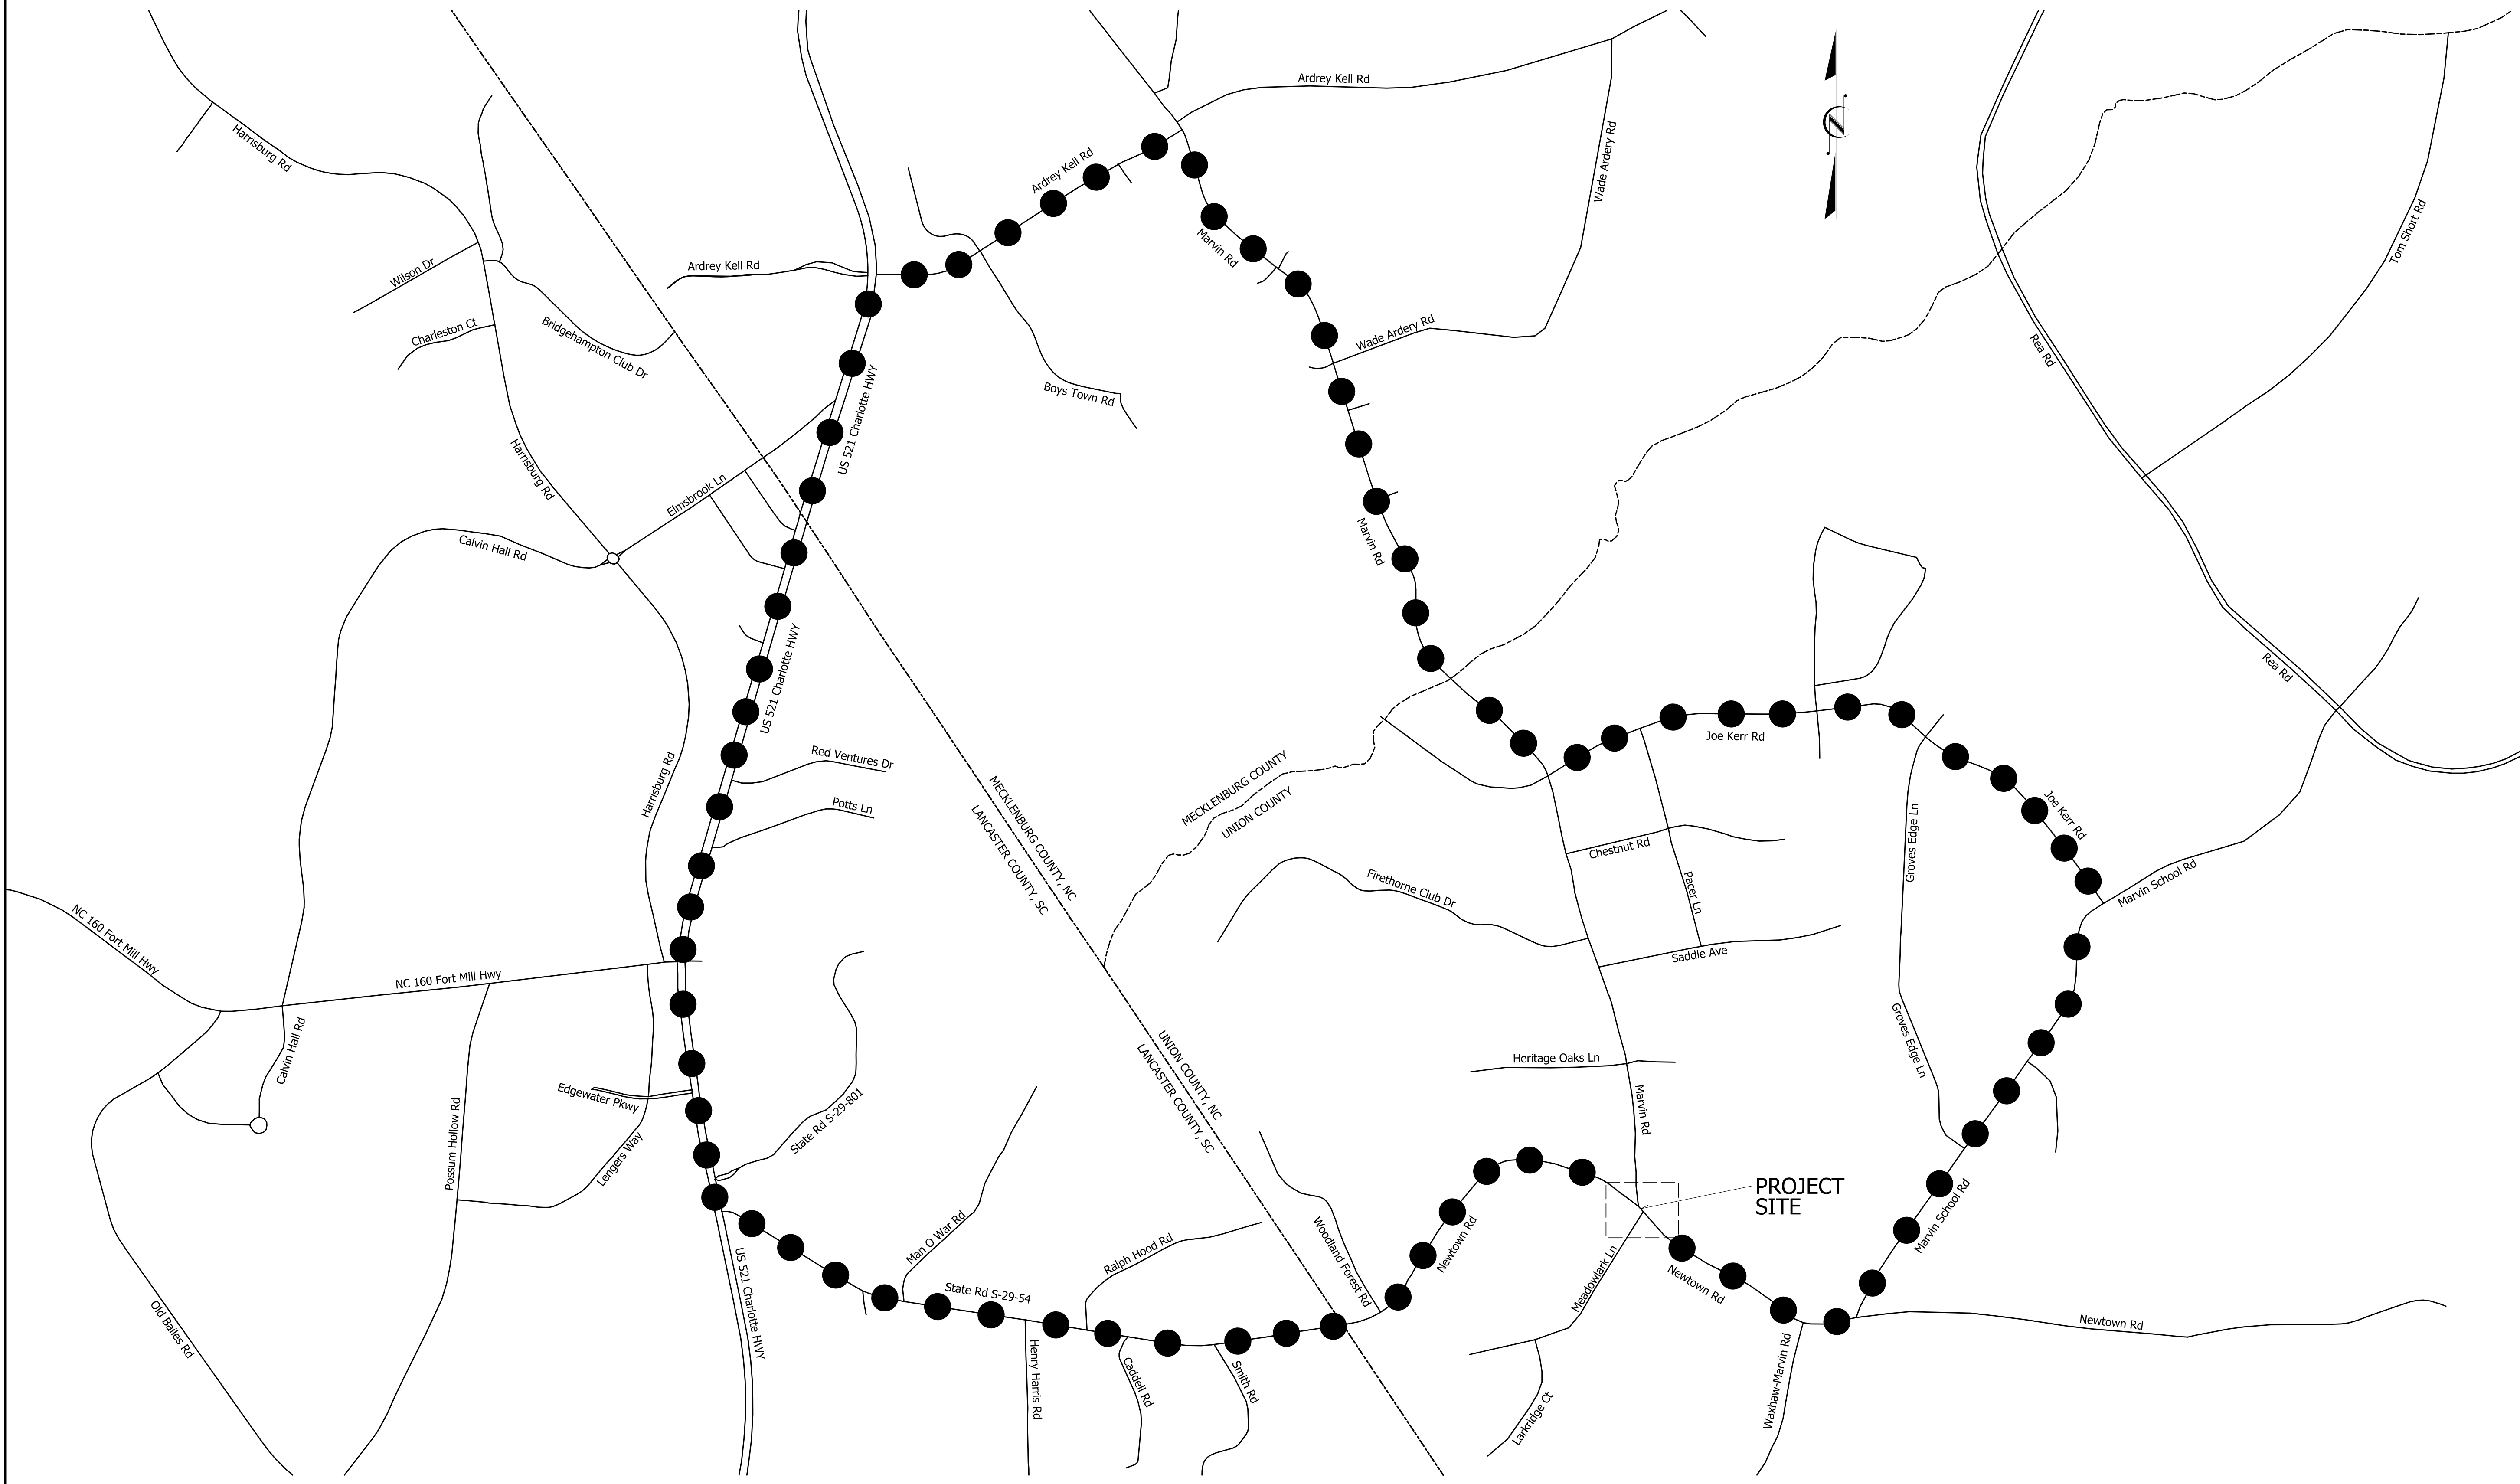

Please see the attached detour route information. The detour route runs along Marvin School Road, Joe Kerr Road, Marvin Road, Ardrey Kell Road, and US 521 Charlotte Hwy.
