DO's & DON'Ts for the Event

Do's

- Please read the announcements/posts on the Village website (www.MarvinNC.gov) regarding the event thoroughly before and on the day of the event, as the weather or other may affect the scheduling of the event.
- Please arrive during the event time frame - 8am to 12pm noon, not before or after.
- Please bring only your acceptable bulky items and electronics from lists provided.
- Please drive into parking lot and out of it at a safe low legal speed.
- Please be patient as we're accommodating others in attendance.
- Please keep a safe distance (at least 10ft) between your vehicle and the vehicle in front of you.
- Please only allow one able adult to exit your vehicle. This individual may assist Active Waste personnel in opening their truck bed or vehicle doors.
- Please stay in your car if your bulky item(s) are not being loaded.
- Please follow all directions with regards to driving and unloading your vehicle.
- Please use fair judgement about number of items. On site judgement will be made if it is determined any resident has brought excessive amounts of bulky waste or electronics from their household or multiple households.
 - Smaller items - you may bring several.
 - Bigger items - please limit to one per household.

Don'ts

- Please don't bring children to the event. (If you must, please keep children secured in your vehicle.)
- Please don't allow any passengers in your vehicle to get out of the vehicle.
- Please don't bring bulky items and electronics from multiple residences.
